Winning The War For Talent: Strategies for an Outcome-driven Organisation

Hiring, nurturing, and retaining great people is the key to profitable growth, but it is the number one issue keeping leaders and managers on their toes. Winning the War for Talent addresses this issue with an unconventional "how-to" guide of innovative techniques to source and retain skilled talent.

In this eBook, you will learn about:

Proven strategies and secret weapons to attract, mentor, and retain the right employees

Understanding the key barriers while formulating talent management strategies

Step by step process to build a Talent Operating System and win the war for talent
